What do you think is your partner's socio-economic status?

**SES**

- Poor
- Working class
- Middle class
- Upper middle class
- Upper class
- Extremely rich

**My partner's socio-economic status is probably...**

What makes you think your partner's SES is as you've described above? Select as many choices as you think have influenced your response to the previous question.

- My partner said things that gave me the impression s/he was of a particular socio-economic status.
- My partner told me directly what her/his socio-economic status is.
- I could tell because of how my partner was dressed.
- I could tell because of how my partner carried herself/himself (e.g., posture, gestures, etc.).
- I just had a feeling that they were of that SES.
