Caption: It is not only easier to use this type of toilet for those with spinal cord injury but it is a necessity. So even in villages, these types of toilets should be built for people as not everyone can live in the cities. During period also it is difficult to stand to change pads so these kind is easier to use.

Caption: For us to be able to wash our own clothes, bathroom should be made in such a way that we can wash our clothes ourselves while sitting on wheelchair. It will be much easier.

I can't wash clothes while standing or sitting. At home, I sit in a small stool but there is none here. If the washing space could be reached while sitting on a wheelchair, it would be good.
